vs.

TECUMSEH WOLF,

Defendant.

ORDER

This matter is before the court on the July 30, 2013, letter request ([Filing No. 51](#)) of Warden Craig Apker (Warden Apker) at Federal Correctional Complex Butner (FCC Butner), for an extension of time of the evaluation period of Tecumseh Wolf (Wolf) pursuant to this court's March 28, 2013, order, which committed Wolf to the custody of the Attorney General to place Wolf in a suitable facility to determine whether Wolf is suffering from a mental disease or defect as a result of which his release would create a substantial risk of bodily injury to another person or serious damage to property of another pursuant to 18 U.S.C. § 4246(b). **See** [Filing No. 48](#).
